We extend our heartfelt gratitude to the Master Djwhal Khul who presented the Science of the Seven Rays to humanity and encouraged us to celebrate the monthly Solar Fire Festivals at the time of the Full Moon.

We extend our heartfelt gratitude to the Master Morya without whose great strength and generous inner support this project would not have seen the light of day.

We extend our heartfelt gratitude to the Master Koot-Hoomi who, as “Lord of Music and the Dance”, has been a great subjective source of inspiration for this and the other Solar Fire Ritual~Oratorio Projects.

We gratefully acknowledge the dedicated and generous financial support of the *World Service Meditation Group Education Fund* which contributed greatly to making this project possible.

We gratefully acknowledge the support of the *Synthesis Foundation* which has generously contributed to the sustainment of the Morya Federation, the University of the Seven Rays and the Seven Ray Institute, thus contributing to the emergence of this project.

We gratefully extend our heartfelt gratitude to Tuija S. Robbins whose deep understanding of esoteric ritual and the Angelic/Deva Kingdom has been an unflagging source of inspiration for the presentation of the Sagittarius Solar Fire Ritual~Oratorio and the eleven others in this zodiacal series.
