Overview

Healing and the big picture

Recap: Esoteric healing or soul healing as an objective

Soul healingproduces the pouring into and through the mechanism of the patient of pure soul energy.

It was in this way that Christ worked, and there are few today to work this way.

It must be held before you, however, as an objective.EH p329

Christ, the world Healer, the Forerunner of the Aquarian Age ROC p79

First world teacher to cover two zodiacal cycles

*“In June 1945, at the time of the full moon
(so significant a day in the spiritual experience of
the Christ),
He definitely and consciously took over His
duties and responsibilities as the Teacher
and Leader during the Aquarian solar cycle.
He is the first of the great world Teachers to
cover two zodiacal cycles, the Piscean and
the Aquarian.” ROC p82*

1. Two cycles of Aquarius : greater and lesser

There are two cycles connected with the 12 signs of the zodiac

a) Those which are connected with a complete zodiacal round of about 25,000 years. [greater cycle]

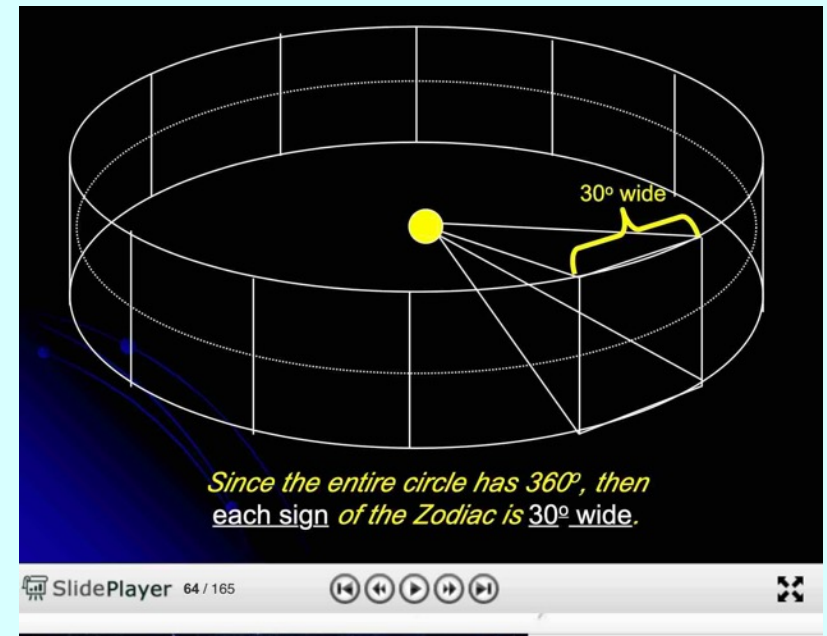

b) Those which are connected with each of the twelve signs which come in and out of manifestation every 2,500 years [lesser cycle]
EPI p265

The greater cycle

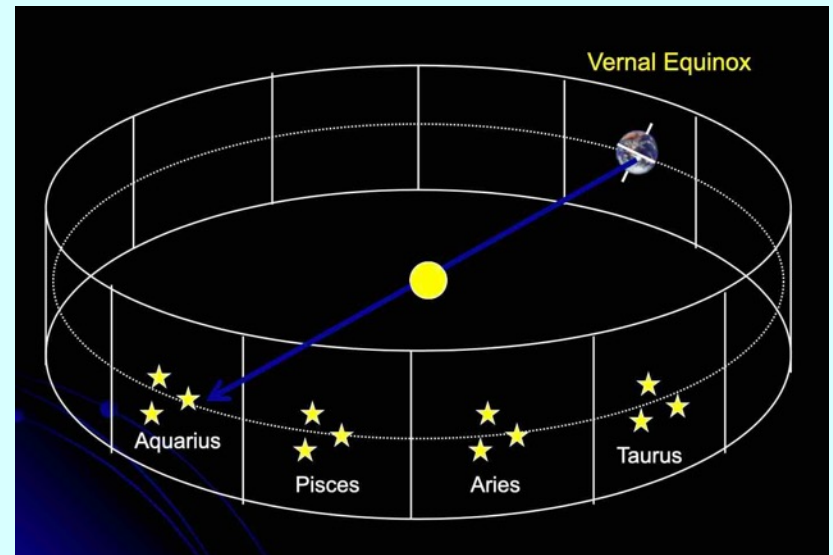

a) *The great sweep of the sun around the greater zodiac (a period of 250,000 years, or a complete round) EA p409*

The zodiac is a group of constellations that is present behind the path which the sun, moon and planets traverse across the sky as seen from our planet earth.

Each astrological age covers approximately 25,000 years.

Source: slide player-did you know that the Earth wobbles on its axis

Lesser cycle

As the Earth wobbles, it “leans” towards each of the 12 major star constellations in succession over a regular period of 25,800 years.

This means that about every 2160 years the Earth’s wobble “leans” towards a different one of the 12 major star constellations.

Currently, the Earth is moving from leaning towards the constellation Pisces to leaning towards the constellation Aquarius.

Source: <https://prof77.wordpress.com/new-earth/crossing-the-galactic-plane-and-the-photon-belt/>

b) Those which are connected with each of the twelve signs which come in and out of manifestation every 2,500 years. EPI p265

The slow cyclic wobble of Earth's axis called precession resembles the motion of a top slowing down only the Earth's not slowing down – it repeats the circle every 25,800 years. The wobble causes the pole star to change and the Sun to move westward along the zodiac. Earth and Planetary Magnetism Group ETH-Zurich

Greater and Lesser cycles of Aquarius coinciding

“We are entering another greater round of the Zodiac, and this coincides with the lesser zodiacal activity because Aquarius governs the greater immediate cycle of 25,000 years and is also the sign into which the sun is now moving for a period of 2300 years.”

*A most amazing happening and full of import
in our planetary history”*

– *“It is a coincidence of which our planetary Logos is well aware and of which He is making full and intelligent use.” EXH p567*

2. 7th Ray cycle coming into power

The 7th Ray is in manifestation since 1675 AD and is coming into power.

It will remain in incarnation for the next 3,000 years or so.

The seventh ray is ,par excellence the medium of relationship.

It brings the two fundamental aspects of spirit and matter. It relates soul and form... it relates soul and personality. R&I p571

Compare Esoteric Healing and 7th Ray

Soul/Esoteric healing is the pouring of pure soul energy into and through the bodies of the patient bringing soul energy in contact with the forces of the personality

Combination of sun in Aquarius and Ray 7 cycle: illumination and the establishment of order upon the Earth

Such a manifestation inevitably takes place in moments of planetary crisis, when the seventh ray is active and when the Sun is in Aquarius.

Such a combination of relationships is being established now, for the seventh ray is rapidly coming into manifestation and the Sun is in Aquarius, for the Aquarian Age is just beginning.

The Objective of this combination (which has occurred six times during the period of the fifth root-race) is to bring about illumination and the establishment of order upon the Earth. DINA II p425

3. Humanity's 1st initiation: the birth of Christ consciousness

“We stand now on the verge of a similar but still more momentous event

—the appearance of the fifth kingdom, as a result of the planned activity of the New Group of World Servers, working in collaboration with the Hierarchy of perfected souls, and under the guidance of the Christ Himself. DINA I p32

“This is a momentous event in planetary history”. This is a period of immense cyclic importance EP II p714-5

3. Humanity's 1st initiation: the birth of Christ consciousness

“Vast numbers of men will take the first step towards the unfolding of the Christ consciousness and thus pass through the first initiation” R&Ip584

The 7th Ray governs the 1st initiation “the Birth” i.e. It marks the 1st stage of the soul's control of the physical plane or the freedom of the soul from the grip of the physical body and its appetites or the 3rd aspect of Form.

Individualisation: 1st major human crisis & major initiation for Logos

Individualisation
...is the great
moment in which
a man passed out
of the animal
kingdom into the
human,...

initiation into
self-conscious
existence IHS176

when individualisation took place during the Lemurian, or the third root race, and the human family in this cycle definitely came into manifestation, it signified a major initiation for our Heavenly Man IH&S p180

1st initiation: Major human crisis: birth of 5th kingdom of souls

*The first initiation,
corresponding to the birth
hour. IHS63*

*...initiation into
spiritual existence
IH&S p176*

This same thing it is that is again happening today in the world.

There is a pouring in of spiritual energy, vitalising, transforming, and rendering humanity creative.

Initiatory work becomes possible and a new and higher kingdom can appear upon the earth. EP II p213

Birth of the 5th kingdom of souls

It is of importance that you realise that today something new is happening.

There is the emergence of a new kingdom in nature, the fifth kingdom;

this is the Kingdom of God on earth or the kingdom of souls.

It is precipitating on earth and will be composed of those who are becoming group-conscious and who can work in group formation. DINA1p3

Privilege to be part of this momentous planetary event

Humanity is today participating in the preparatory tests for initiation, the initiation of the world disciple.

Great is your privilege to be taking part in this.

Forget not that eleven is the number of the Initiate and that today it is the eleventh house which is so dominant;

forget not that Aquarius, the eleventh sign, is the sign of universal relationships, interplay and consciousness.

EA p542

Planetary Logos establishing extra planetary relationships

*It is a cycle also in which the planetary Logos, having successfully taken initiation and thus affected His entire planetary life, has also **established certain extra-planetary relationships** which are necessarily incomprehensible to you and of no moment whatsoever to the individual human being,*

*but which will eventually create a situation in which **our planet will become a sacred planet.***

This process, as it unfolds and develops, will have a potent subjective and deeply spiritual effect upon every kingdom in nature and in the realm also of supernature. EXH p567

Earth already a sacred planet subjectively

There is a relationship of very ancient date between our Lord of the World, Sanat Kumara, and the Lord of Sirius, and this exists in spite of the fact that our planet is not a sacred planet.

It might be added that our planet is, in the immediate cycle, owing to the factors I have lately considered with you, rapidly passing out of this category, and

**on the inner planes and
subjectively considered is a
sacred planet;**

the effects of this transition from non-sacred to sacred have not fully demonstrated themselves objectively. R&I p414

Spirit of peace

Avatar of synthesis

Hovering today within the aura of our planet are certain great spiritual Forces and Entities, awaiting the opportunity to participate actively in the work of world redemption, readjustment and reconstruction. EXH p222

Purpose of the Logos: redemption

He (Sanat Kumara)decided to create this planet of ours for strictly redemptive purposes. DINAI p222

This theme of redemption (which underlies all the initiatory processes) is hidden in the karmic responsibilities of Sanat Kumara; DINAI 385

It was to redeem substance and its forms that the planetary Logos came into manifestation, and the entire Hierarchy with its great Leader, the Christ (the present world Symbol), might be regarded as a hierarchy of redeemers, skilled in the science of redemption. EdNA p65

Emphasis on Ray Five, the Ray of Science and Concrete Knowledge

Aquarius and the 5th Ray

Aquarius, an air and mental sign, transmits Ray V, the ray of Science and Concrete Knowledge which numerically resonates with the 5th mental plane.

Ray V's higher expression is the science of the soul or Esoteric psychology, while its lower expression is modern educational systems and mental science. EP I p50

The Fifth ray cycle is only in process of "coming forth to power" having been in manifestation since 1775 A.D. EP I p350

The 5th MENTAL PLANE

1st subplane

Abstract/higher mind/3rd aspect of the Spiritual Triad

2nd subplane

3rd subplane

4th subplane

Lower mind

The 5th mental plane is where the 5th Ray Lord influences most, hence illuminating the whole mental plane i.e. the lower mind, the egoic lotus and the higher mind.

5th subplane the concretising or materialising subplane

Disciples and the mental plane

*It should be remembered that just as the battle ground (the kurukshetra) for the aspirant or probationer is the astral plane, so **the battle ground for the disciple is the mental plane.***

There is his kurukshetra....

*The disciple has to carry forward his mental attention, and, through right use of the mind, achieve a higher realisation and **bring into active use a still higher factor-that of the intuition.** TWM p376*

Goal for the mental body

*To be a
transmitter
of the
thoughts,
Light & Love
of the soul*

*The mental
body needs to
be one pointed
and focussed to
become
receptive to
higher impress
from the soul*
LOS p206

The Rulers of Aquarius

Uranus and Jupiter

Uranus R7: Exoteric ruler of Aquarius

- ✧ Uranus R7 is the personality/exoteric ruler, and Jupiter R2 the soul ruler.
- ✧ Uranus transmits Ray 7, a synthetic energy on the physical plane bringing together spirit and matter or soul and personality *through the intelligent use of the mind.* (EA p306)
- ✧ *The influence of Uranus, transmitting R7 is enhanced by the cycle of R7 flowing in our solar system.*
- ✧ Uranus affects the soul life far more than it does the personality life. EA p114

Jupiter transmitter of Ray Two of Love

- ✧ *Jupiter is the soul ruler of Aquarius*
 - ✧ *Jupiter is the Second ray agent of the Christ spirit.” (EA 277)*
 - ✧ *Jupiter transmits R2 and fuses Heart and Mind*
 - ✧ *It's the outgoing Expression of Love*
 - ✧ *It stimulates the soul aspect in our planetary life i.e. in all forms and even more so in those who respond to the energy of Love.*
-
