Short visualisation

Let's link up as a group by sending a ray of radiant light to the ajna of the groups members

- Raise your consciousness as high as you possibly can
- Endeavour then to hold steady, holding the mind unwaveringly "in the light,"
- Realise that, on D.K.'s side, he also stands steady, pouring out upon us his love and strength and endeavouring to lift us up into a higher state of consciousness
- Visualise ahead of us a disk or sphere of indigo blue, a deep electric blue.
- Imagine D.K. standing in the centre of that disk, waiting.
- See a band of golden light between us and the disk gradually shortening, thus bringing us closer together, slowly and steadily, until we enter into the heart of the blue disk.
- Sound a blue OM DINA II p16

Greater and Lesser cycles of Aquarius coinciding

“We are entering another greater round of the Zodiac, and this coincides with the lesser zodiacal activity because Aquarius governs the greater immediate cycle of 25,000 years and is also the sign into which the sun is now moving for a period of 2300 years.”

A most amazing happening and full of import
in our planetary history”

– *“It is a coincidence of which our planetary Logos is well aware and of which He is making full and intelligent use.” EXH p567*

2. 7th Ray cycle coming into power

The 7th Ray is in manifestation since 1675 AD and is coming into power.

It will remain in incarnation for the next 3,000 years or so.

The seventh ray is, par excellence the medium of relationship.

It brings the two fundamental aspects of spirit and matter. It relates soul and form... it relates soul and personality. R&I p571

Compare Esoteric Healing and 7th Ray

Soul/Esoteric healing is the pouring of pure soul energy into and through the bodies of the patient bringing soul energy in contact with the forces of the personality

3. Humanity's 1st initiation: the birth of Christ consciousness

“We stand now on the verge of a similar but still more momentous event

—the appearance of the fifth kingdom, as a result of the planned activity of the New Group of World Servers, working in collaboration with the Hierarchy of perfected souls, and under the guidance of the Christ Himself. DINA I p32

“This is a momentous event in planetary history”. This is a period of immense cyclic importance EP II p714-5

Aquarius and the 5th Ray

Aquarius, an air and mental sign, transmits Ray V, the ray of Science and Concrete Knowledge which numerically resonates with the 5th mental plane.

Ray V's higher expression is the science of the soul or Esoteric psychology, while its lower expression is modern educational systems and mental science. EPIp50

The Fifth ray cycle is only in process of "coming forth to power" having been in manifestation since 1775 A.D. EP I p350

4th Ray cycle to manifest after 2025

Ray Four -To come slowly into manifestation after 2025
A.D. EP I p26

This ray...begins to come into incarnation early in the next century and — in collaboration with the developing Saturnian influence [1st decanate of Aquarius] — will lead many on to the path of discipleship...

This fourth ray brings about .. not the ray of art... but the beauty of those living forms which embody the ideas and the ideals which are seeking immediate expression. DON p142-3

the development of the intuition by the means of the knowledge of sound vibration, and the higher mathematics TCF p427

- 
- *Music, as a means to be employed in building and destroying.. (e.g. music therapy)*
 - *Laws of levitation and of rhythmic movement in all forms, from an atom to a solar system, will be studied. (e.g. waves & frequencies in science & Quantum Physics)*
 - *The manipulation of matter of all kinds by the means of sound will be practised on the two lower planes*
TCF427 (e.g. Ultra sound in Medicine)

Effects of R4 on all 4th subplanes in each plane

The coming into power of this fourth Ray

- *The discovery of radium, and the study of radioactive substances and of electronic demonstration. **This knowledge will revolutionise the life of man;***
- *Utilisation of air routes and the transit of large bodies through the air,*
- *Life after death demonstrated*
- *The analogy between the fourth etheric subplane and the fourth or buddhic plane will be studied, for it will be realised that the life of ..the planetary Logoi, pours through our (4th)scheme from*

The fact of the existence of the etheric body will be established, and the healing of the dense physical body, via the etheric body, by force utilisation and solar radiation, will take the place of the present methods.

Healing will then fall practically into two departments:

1. Vitalisation, by means of:

a. Electricity.

b. Solar and planetary radiation.

2. Definite curative processes, through the occult knowledge of:

a. The force centres.

b. The work of the devas of the fourth ether.

*there will be, in the immediate future, a period of **intensified evolution for the units of the fifth rootrace...** the periphery of the causal body encloses the permanent atoms. It is the plane of testing, of the major initiations of the Threshold; it is the battleground in man, and from this plane he must secure the right to enter the Path, and procure that control over his lower bodies which will make him a master, and not a slave.*

Ray II and Ray VII cycles

Ray II cycle will be around until year 3,775

*Ray Two In manifestation since 1575 A.D. EP I p126

RAY II — This ray is always in subjective manifestation and very potent because it is the ray of our solar system and particularly so at this time as the Hierarchy is approaching closer to humanity in preparation for the "crisis of love," and an imminent major planetary initiation.

At this time, however, the second ray is becoming objective in its influence upon the physical plane.

It will become increasingly so for the next two thousand two hundred years when it will gradually withdraw into the background. DON p142

Ray VII cycle will stay in manifestation for the next 2,500 years or so [until 4175]

Ray Seven... In manifestation since 1675 A.D. EP I p26

The world has been changed beyond belief during the past five hundred years, and during the next two hundred years the changes will be still more rapid and deep-seated,

for the growth of the intellectual powers of man is gathering momentum, and

Man, the Creator, is coming into possession of His powers.EPIp83

EPIp83 The force and the effect of the seventh ray influence will, however, reveal to him the magical work, and the next twenty five hundred years will bring about so much change

Unique opportunity for
healing

Aquarius and the healing rays

*Ray Two is the healing ray par excellence
and the second healing ray is Ray Seven.*

DINA I p641

R7

R2

Aquarius, through its rulers Uranus and Jupiter, transmits the two healing rays, R7 (ray of synthesis on the physical plane) & R2 (Ray of Cosmic Love)

Divine Plan and the healing rays

- ✧ The Divine plan is to inaugurate and establish the 5th kingdom of souls on earth.
- ✧ The Task of Hierarchy is to implement it.
- ✧ We, the disciples, are an integral part of Hierarchy.
- ✧ Aquarius, through the rays of its rulers, Uranus R7 and Jupiter R2, facilitates the process of Esoteric/Soul Healing.
- ✧ Healers help the incarnating souls to have a stronger control on its vehicles, to manifest through them, to express its divine nature and to transform its lower nature through Love.

Aquarian energy and the Christ

This inflow of
Aquarian energy is
one of the factors
which will enable
the Christ to
complete His task
as World Saviour
and World Teacher;

R&I p232

AQUARIUS

Aquarius and the Solar Angels

From the standpoint of our theme
(the evolution of consciousness)
it must never be forgotten that
the aim is to *bring the solar Angel,
the Son of Mindinto the seat of
power.*

This task is pre-eminently
entrusted to the three great
Lives Who function through
Gemini-Libra-**Aquarius**. EA p493

AQUARIUS

As it is said in the
ancient Archives
of the Masters:

"Eventually, the solar
Lords, through
manas (the mind)
will control the
lunar lords of
elemental
substance, and not
alone their own
but that which looks
to them for aid.

Thus will redemption
come to all
through man, and
thus the glory of
the Lord of Life be
seen." DINA II p222

Planet Earth and the Solar Angels

This little planet is essentially unique in its purpose and its techniques, and that on it and within it a great redemptive experiment is going forward;

Its prime implementing factors and its scientific agents are the "sons of mind who choose to be the sons of men and yet for all eternity remain the Sons of God."

*These "sons of mind" were chosen, in that far distant time when the fourth kingdom in nature came into being, to carry forward the science of redemption.
DINA II p386*

The Aquarian Age: right time for the healing of our sick planet

Therefore the opportunity for the manifestation of the kingdom of Souls to occur is at hand and The Planetary Logos' purpose of Sacrifice, salvage and redemption of the "prisoners of the planet" is coming to fruition.

Keynotes of Aquarius

Group work

- One's selfish affairs are forgotten and one's will merged with that of the group

World service

- Our consciousness is no longer self centred
- Our consciousness is universal

Self sacrifice

- Just like Hercules, the healers direct the energies of Love and Life into the vehicles/bodies of the patient.

In the Aquarian Labour of Hercules, *'Hercules had to aid in the cleansing of the world by the right direction of the life forces through it'*

LOH p186

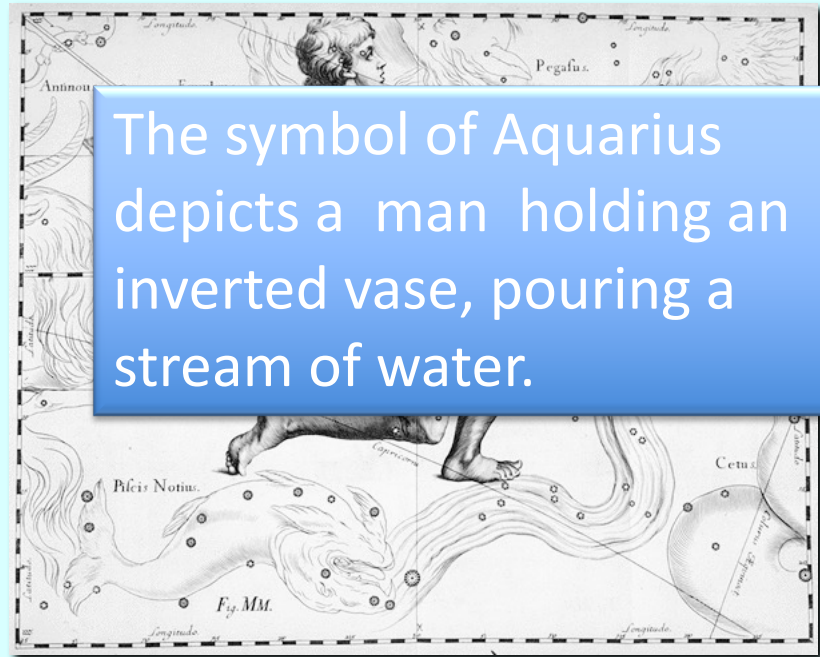

Aquarius being a dual sign, the stream is actually a synthesis of the flow of two energies:

- *Life*
- *Love*

These two words Life and Love embody not only the technique of the Aquarian Age, but also that of the Healer(s)

Symbol of Aquarius: pouring 2 streams: life and Love

The symbol of Aquarius depicts a man holding an inverted vase, pouring a stream of water.

It is in the hands of the masses of good little men and the millions of right thinking people in every land by which the preparatory work for the Coming of the Christ will be done ROC p162

Conclusion: Healing and the Aquarian Age

Our solar system is entering two cycles of Aquarius:

- Aquarius, the sign into which the sun is now moving, governs both the greater cycle of 25,000 years and lesser one of 2,300 years.

The two healing rays R7 & R2 are transmitted by Aquarius through its two rulers Uranus R7 and Jupiter R2

The R5 cycle coming into power illumines both the 5th lower and higher mental plane, empowering both the Sons of Men and the Sons of Mind.

With the R4 cycle coming into manifestation, the “immediate future achievement consists in the utilisation of force and of electrical energy for the more harmonious adjustment of the life of man”.

R2 cycle will manifest more and more objectively in the next 2,200 years

R7 cycle coming into power and coinciding with the Aquarian cycles assists in the manifestation of humanity's 1st initiation, the birth of the 5th kingdom of nature, a “**momentous event in planetary history**” and a major event in the life of our Planetary Logos

Our Planetary Logos is well aware of this unique opportunity that's available to him and He is making full and intelligent use of it.

It's no surprise that Christ, aligned with His Will and permission is due to reappear at the beginning of Aquarian Age to inaugurate the Kingdom of souls on Earth.

So the Aquarian Age is the right time for healing our sick planet

as Soul healing is concerned with the pouring of pure soul energy into and through the mechanism of the patient.

When we consider all the factors currently impacting Earth, it is humbling to realise our presence here.

As D.K. said "Great is your privilege to be taking part in this".
