Subject: DK & MDR

Greetings,

I've been thinking of Michael returning to Master DK's Ashram for a brief recharge, before reincarnating. Some occult authors write that the process of discarding our 4 personality vehicles at the time of death can take a considerable amount of time--often many Earth years. However, *the Tibetan seems to refute this notion, and indicates that for more advanced souls, return to physical incarnation can be quite rapid.* As I mentioned in a recent message, Michael often told me he was going to forego *Devachan*, and reincarnate as soon as possible to carry on his world work.

*The occultists of the world, through the theosophical societies and other occult bodies, so-called, have greatly damaged the presentation of the truth anent reincarnation through the unnecessary, unimportant, inaccurate and purely speculative details which they give out as truths anent the processes of death and the circumstances of man after death. These details are largely dependent upon the clairvoyant vision of astral psychics of prominence in the Theosophical Society. Yet in the Scriptures of the world these details are not given, and H.P.B. in The Secret Doctrine gave none. An instance of this inaccurate and foolish attempt to throw light upon the theory of rebirth can be seen in the time limits imposed upon departed human souls between incarnations on the physical plane and the return to physical rebirth—so many years of absence are proclaimed, dependent upon the age of the departed soul and its place upon the ladder of evolution. **If, we are told [by astral psychics], the soul is very advanced, absence from the physical plane is prolonged, whereas the reverse is the case. Advanced souls and those whose intellectual capacity is rapidly developing come back with great rapidity, owing to their sensitive response to the pull of obligations, interests and responsibilities already established upon the physical plane.** People are apt to forget that time is the sequence of events and of states of [Page 404] consciousness as registered by the physical brain. Where no physical brain exists, what humanity understands by time is nonexistent. The removal of the barriers of the form, stage by stage, brings an increasing realisation of the Eternal Now. In the case of those who have passed through the door of death and who still continue to think in terms of time, it is due to glamour and to the persistence of a powerful thoughtform. It indicates polarisation upon the astral plane; this is the plane upon which leading Theosophical writers and psychics have worked, and upon which they have based their writings. They are quite sincere in what they say, but omit to recognise the illusory nature of all findings based on astral clairvoyance. The recognition of a pronounced time factor, and the constant emphasis laid upon timing, are characteristic of all highly developed people in incarnation and of those whose lower, concrete minds are powerful in calibre. Children and child-races on the one hand, and those highly advanced people whose abstract minds are functioning (through the medium of the interpretive lower mind), usually have no sense of time. The initiate uses the time factor in his relations and his dealings with those living upon the physical plane, but is detached within himself from all recognition of it elsewhere in the universe. **Esoteric Healing 403-404***

The Blessed Mountain

You may have heard of the Blessed Mountain.

It is the highest mountain in our world.

*Should you reach the summit
you would have only one desire,
and that to descend and be with those
who dwell in the deepest valley.*

That is why it is called the Blessed Mountain.

Kahlil Gibran

I've also often thought that Michael may some day take DK's place in terms of being "*profoundly learned and knows more about the rays and planetary Hierarchies of the solar system than anyone else in the ranks of the Masters.*"

The Master Djwhal Khul, or the Master D. K. as He is frequently called, is another adept on the second Ray of Love-Wisdom. He is the latest of the adepts taking initiation, having taken the fifth initiation in 1875, and is therefore occupying the same body in which He took the initiation, most of the other Masters having taken the fifth initiation whilst occupying earlier vehicles. His body is not a young one, and He is a Tibetan. He is very devoted to the Master K. H. and occupies a little house not far distant from the larger one of the Master, and from His willingness to serve and to do anything that has to be done, He has been called "the Messenger of the Masters." He is profoundly learned, and knows more about the rays and planetary Hierarchies of the solar system than anyone else in the ranks of the Masters. Initiation, Human and Solar 57

Love & Blessings to Michael, his family, Tuija and all of us,
Robert
