

I Will Meet You There

Beyond right and wrong,
There is a field, a field of the heart,
I will meet you there.

Whether on the top of Mt Saana, or in Mesa Arizona;
Whether in the rays of light, or in the stillness of night,
Everywhere Thou Art;
I will meet you there.

In every smile young and old,
In Rays of color warm or cold;
I will meet you there!

Whether in Sibelius Park,
Kilpisjarvi, or in the song of the lark;
I will meet you there!

In karmic cycles of time,
In the void of the eternal sublime;
I will meet you in the unseen,
I will meet you in Radiant Being.

Everywhere Thou Art, I will meet you there!

I meet you where you always have been;
I meet you where you always are, and where we never have to part;
I meet you in the One Heart.
